

Dear Parents/Carers,

It has been a great pleasure this week to take time out of our busy lives to sit down and discuss the progress that the children are making. It has also been extremely valuable for myself and the staff to get the opportunity to have face to face conversations with you concerning your views on the way the school works and what you feel we may need to develop.

Lost property

If your child appears to have mislaid any clothing during the school day, then the first port of call is their classroom/cloakroom. All mislaid clothing is now placed in the Gymnasium changing room entrance if it does not have a name in. If there is a name, you won't need to play the 'FIND ME' game!!

Breakfast Club

Our breakfast club continues to go from strength to strength. It runs on Wednesday, Thursday and Friday mornings from 8.30am. On Fridays, we offer hot cobs and this day is extremely popular with other parents too!

Why not pop along sometime?

Vouchers

We are now collecting Tesco vouchers for schools as well as Sainbury's and Nestle. We collected over 54,000 Tesco vouchers last year which was a truly phenomenal amount!

Correspondence

If you would like to receive correspondence by email then send an email to

admin@grange.derbyshire.sch.uk

With your child's name and class teacher. Thank you.

Comic Relief

Next Friday, March 18th, we will be participating in Comic Relief fundraising. We are inviting the children to contribute a £1 and to dress up 'differently'...whatever that means!!! In the afternoon, the staff will be entertaining the children at a special assembly. A fun time is guaranteed for all!!!

INSET DAY

Don't forget that our next INSET DAY is on Friday April 1st.

Glass Jars - We are now collecting glass jars for jams and pickles.
