### CONGRATULATIONS TO YOU ALL

Last Thursday, Erewash Borough Council approved the proposed development of the open space next door to the school. The proposed development includes a playground with a 'speedway theme, wildlife areas and an 'open space' where our children will be able to play and participate in sporting activities both in and out of school time. This will benefit the children of today and of tomorrow.

This has only been achieved by the whole community pulling together and creating a convincing campaign that has persuaded those involved in making important decisions about the local area.

On behalf of our children, I wish to thank everyone who has contributed to our success: if you signed a petition, wrote a letter, called to express your support or just spread the word and encouraged others to support us.

**YOUR ACTIONS HAVE MADE A DIFFERENCE!!**

Davidsons the developers of the site hope to complete the open space by the Autumn of next year so that the children will begin to benefit from the space as soon as possible. Many thanks to them as they have worked hard on the behalf of the local community to ensure the open space incorporated our request.

I know the children are looking forward to playing on the new open space already!

Many Thanks

Mike
