

14th April 2011

Dear Parents/Carers

It has been another extremely busy and successful term for our children.

Can I first of all thank the FROGS for all their hard work recently in providing the Easter egg decoration competition and the discos. They were all extremely well attended and the children had a ball.

I would also like to thank the parents and volunteers who came in to school to help the children in any capacity. Without your dedication and support we would not be able to achieve as much with the children as we do.

Today is a day of mixed emotions for us as Mrs Clay is retiring. She has dedicated many many years of her life to improving the lives of literally hundreds of children at Grange Primary School. She has made a real difference to the lives of countless boys and girls. We are sad that she is leaving but we wish her well in her new adventure.

Can I remind you of your Easter Planting Challenge mentioned in our last newsletter – examples of which you should have seen at our entrances. If the children bring them into school anytime on that first week we will find a space to display them. On our first Friday back after Easter we are having a GREEN DAY to fund raise/contribute to enhancing the school grounds.

Finally can I wish you all a wonderful relaxing and fun time and we look forward to seeing you all safely back on Tuesday 3rd May.

Happy Easter.

M Hannon
Headteacher
