Dear Parents/Carers

WOULD YOU LIKE TO PURCHASE A SPECIAL RAILCARD FOR YOUR FAMILY – UP TO 4 ADULTS AND 4 CHILDREN –FOR £28.00!! The railcards are great value and last until December.

All you have to do is collect a form from our Reception, complete it and return it with £28.00 cash. It must be CASH in a sealed named envelope. The school does not handle the money – it is organised by one of our parents who works for the railways.

The card will then be issued to you before the summer holidays.

You can send your child to the school Reception to collect a form if you prefer.

Many thanks

M HANNON
HEADTEACHER

Just a note to remind you to look around the school grounds to admire the handiwork and expertise that is still taking place. There is also an amount of new seating (including the toadstools) around the play areas for the children to use during playtimes. Whilst the children are still in your care – before and after school please encourage the children to use the seating appropriately and not allow them to run and jump over the garden areas.

Thank you.
