

23<sup>RD</sup> June 2011

Dear Parents

### GARDENING

Thanks to those of you who have already returned the Gardening questionnaire but at the moment we have only had 20 replies out of over 460 children. With this level of response we will be unable to make an application to the big Lottery Fund to support gardening for you or your children and families for the next 5 years.

I am sending the questionnaire out again. I would strongly urge you to complete this and return it to school by next **Monday, 27<sup>th</sup> June** as this is when our review needs to be submitted. It would be greatly appreciated if you are interested that you indicate this on the form.

### SAFETY

As you know the safety of our children on the School premises is an absolute priority for all of us, both staff and parents alike. It is our job to direct children so that they can play safely and securely in the knowledge that any accidents are very unlikely to happen. With this in mind can you please ensure that your child or other children do not play ball games on the school playgrounds before and after school and that no children play on the Adventure Playground without a member of staff being present before or after school.

Although I am very reluctant to paste around the school signing with the word NO I need your support to ensure that the children make the right choices.

### GERMAN BAND

Can I, on your behalf, thank the Long Eaton Militaires for organising a performance by a German Brass Band which occurred this afternoon. The whole school enjoyed their performance. Please ask your children to tell you all about it.

Many thanks for your continued support.

Best Wishes  
MIKE HANNON  
Headteacher
