

26th May 2011

Dear Parents

A huge thank you to all our parents and carers who have attended our recent new reception meetings. These went extremely well and we look forward to greeting our new children in September. Also a huge thank you to all the staff who helped organise and attended these events.

Our Nursery children are back in their home! Can I thank all the parents and carers involved who have had to put up with a considerable amount of disruption during this difficult time. Can we also thank the Nursery team who have managed the trials and tribulations with great professionalism. Their commitment to ensure that the children's learning has not been disrupted has been outstanding.

You will remember that in our last newsletter we talked about the School Fair being postponed because of the considerable amount of time needed to organise the National Garden Scheme – good news – we have now decided to hold the School Fair on Friday 23rd September and the FROGS have stepped in with their summer BBQ to be held on Saturday 2nd July. Further details will be forwarded nearer the dates.

Finally, all the children in school have been involved in projects related to electronic safety in the past week. This is fantastic for keeping themselves and others safe whilst using the internet etc. It is concerning that so many of our children appear to be able to access several networking sites such as face book when legally they should not. We ask you to actively discourage your child from accessing these sites as they do not possess all the necessary skills and maturity yet to manage their accounts effectively.

Please refer to Website – www.thinkuknow.co.uk or kidSMART where you will find some information to help yourself as a parent/carer.

Thank you for your support and have a fantastic half term!

Best Wishes

Mike Hannon
Headteacher
