

This permission slip will cover all your child's time at Grange Primary School

Photographs and Digital Images

At Grange Primary School we take the issue of child safety very seriously and this includes the use of images of pupils. Images of pupils in school publications and on the school website can be motivating for the pupils involved and provide a good opportunity to promote the work of the school. Schools have a duty of care towards pupils, however, which means that if images are used in this way pupils must remain unidentifiable, reducing the risk of inappropriate contact.

We ask that parents consent to the school taking and using photographs and images of their children. Any use of pupil images at Grange Primary School is underpinned by our acceptable use policy. We will never include the full name of the pupil alongside an image.
